# ENTERING THE PRISON

When entering the prison, it's crucial to be mindful of the extensive list of items prohibited within the prison environment. We strongly advise visitors to bring only essential items. Please note that all visitors are subject to thorough searches for the safety and security of all individuals within the institution.

## ID REQUIREMENTS

For entry into the prison, it is mandatory to present two forms of photographic identification. This may include a passport, driving license, or similar valid identification document.
