Remember to upload your most recent CV, the more information about what you're looking for, the better!

3. We'll be in touch to talk about your careers goals

Once we get your CV, one of our consultants will take a look and reach out to chat about your experience and the kind of roles you're interested in.

If you have any additional information to share, this is a great time to do so!

4. We search for you

Your consultant will hang onto your CV and keep an eye out for any opportunities that are a great fit for you.

5. We'll contact you about suitable positions

When a suitable position opens up, we'll be in touch to chat about it further.

6. We'll arrange your interview

If you feel the job is a great fit, we'll move on to the next stage, and your consultant will coordinate an interview with the school or college.

7. Getting you ready for your interview

Your consultant will provide comprehensive support and guidance before the interview to help you feel confident. They'll share tips on how to impress the employer and offer useful resources to help you prepare effectively. Plus, they'll check in regularly leading up to the interview to answer any questions or address any concerns you might have. You're not alone in this - we're here to ensure you're fully prepared!

8. We'll continue to support you

If your interview goes well, your consultant will partner with you and the college to finalise the offer details - like salary, hours and start date. Once the offer is confirmed, they'll continue to support you throughout the onboarding process, checking in regularly to make sure everything is on track. And even after you're placed in your new role, they'll be there to provide ongoing assistance and ensure you're settling in smoothly!
